### **Re-Cap of Florida Trip**

Accommodations were good.

Fields were good.

Disney does a great job.

Competition was just ok.

Good team bonding. Younger girls now feel more comfortable with the older girls.

### **Immediate Concerns with Field**

#### **Concrete Work**

Steve has been working on concrete. He can put in 120 lbs. of fill. Forms need to be set and filled. Cost: \$2200. Concrete from dugout to dugout will cost \$12,000. A pad for bleachers also needs to be done. However, we need more money to finish all the concrete work. We might need to hold off on some of this work.

#### **Fencing**

**Poles** are done. Flags are done and waiting to be installed. We would like a bigger American flag. Does anyone know of a place where we can obtain a flag? \$309.49 was the labor cost for flags.

#### **Speakers**

Will be here soon. Must be installed. Will be temporarily placed on dirt.

#### **Scoreboard**

Ready to go but needs to be installed when the weather is dry.

**Netting and Padding** is already installed.

Talked about wet spot on the field that needs some work.

The only major situation for the field is gravel needs to be filled in behind the fence.

#### **Bleachers**

They've been ordered. Bouche has a hold on them. Can we cancel the order and spend more money on the concrete? \$12,000. is the cost for the bleachers.

#### **Dugouts**

Greg will handle remodeling of dugouts.

#### **Banner Report**

Jim S. handed out a report containing who has paid for banners and who has ordered ones. Black banner is needed for the outfield fence in a 5x20 area. \$3800. of banner money is in a Booster Club Saving's acct. Glen Downes is interested in

purchasing a banner also. Mark's Towing is also interested. Banner donors will be listed on website. We want to write a letter to donators and thank them for their help. Addresses will sent to Tiff

### **Website**

Tiff has pictures from alumni to put on website. 25,000 hits have been on our website. \$500. will be paid to Brett Brenhan for managing our website.

### **Team Cook-out**

Dave and Nick will cook  
Kelly will get food from Von Hansen's  
100 people should show up.

Dave and Randy will bring canopies.

### **Fundraising**

\$528.80 was made from lipstick fundraiser  
\$3,175.00 was made from Blitz sales  
25% went to cover coach's plane tickets  
2,365.00 to Booster Club  
Laura is getting the check from the AV VFW.  
Rosemount VFW will donate money to us if Tiff gets a letter from Dully.

Different fundraising ideas were discussed.  
John is handling the Garage Sale at Candi's.

### **Treasurer's Report**

Savings (Banner money) \$900  
\$2925.51 in checking after current bills get paid  
Current Bills:  
    \$2402.26 for equipment  
    2092.77 flags  
    859.03 stadium seats  
Deposit of \$460.00 going into Checking  
Florida costs were \$972.80 more than we expected (Wolfgang Puck, food, cabs, luggage pick-up) so we have to dip into the Blitz fund to cover the expenses.

Meeting adjourned at 9:00pm
